## Gym relocation

Dear Grizz's Power House Gym Family,

I want to share an important update with you. I've been notified by the landlord that the building that Grizz's Power House Gym is currently located in is up for sale, and due to this, plans are being made for the gym to transition out of this location and relocate to another state.

The gym is currently scheduled to remain open through February 15, 2026.  
Members will only be charged for the days the gym is open—no charges beyond that date.

I am incredibly grateful for each of you and the support you have shown. This gym has always been about more than just workouts — it's been about community, strength, and family.

If you have any questions, please don't hesitate to contact me at 559-707-0280.

Thank you for being part of Grizz's Power House Gym Family 🙏

With appreciation,  
Correena  
Grizz's Power House Gym
